**DETAILED ACTION**

1. This communication is in response to amendment filed 7/12/06.

***Response to Amendment***

2. Claims 1-7, 18-22 are pending and have been allowed.

**EXAMINER'S AMENDMENT**

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Eric Shelton (Att. Stephen A. Becker Reg. 26527) on 9/21/06.

**In the claims:**

Please cancel claims 8-17 and 23-106.

***Reasons for Allowance***

4. The following is an examiner's statement of reasons for allowance:

Art Unit: 3693

The inventions of claims pertain to system for restricting access to an e-commerce network.

The following prior art references have been deemed most relevant to the allowed claim(s):

Sabal (U.S. Patent Application Publication No. 2001/0037383) teaches a system and method for providing the Internet access to a user. The series of steps surrounding the credit validation billing process (numerals 180 and 630) do not differ materially from a standard credit card purchase transaction. There is no teaching or suggestion whereby the Sabal process employs the user's credit rating as a qualification- only the user's credit card. Instead, Sabal teaches the following: "room number, terminal number, service type, service period, credit card number and/or credit card expiration date information"

The prior art reference teaches the use of remote sites, such as banking institutions and credit bureaus, these sites are used to validate credit and/or debit cards. Sabal does not disclose or suggest a qualification verification device that verifies a user qualification based on the user's rating (see Independent claims 1 and 7).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
